

PLANT

Join us at the Palm House for a festival of dance, drama, music and design, celebrating the origins of food in our everyday diet.

You will see giant plants and dances from all over the globe. You'll hear music from around the world played on kitchen utensils, not to mention a gig by Urban Strawberry Lunch.

After the visual and aural feast, you will then be invited to sample food from around the world, prepared by the 15 groups involved in the event.
